

# Kanta Chawla

27 years

## BACKGROUND

Forced to marry at the age of 10, Kanta was never given the opportunity to lead a purposeful life. However, after giving birth to two daughters, she decided to turn her life around in order to give her daughters the life she never had. Despite being attacked with acid on multiple occasions by her in-laws and husband, Kanta has attempted to stay optimistic for her daughters' sake. She has basic training in sewing clothes and currently works as a part-time dishwasher. She can cook a variety of dishes and loves trying out new recipes. Kanta's dream is to get better at her skills and to use them to better other people's lives.
